Murrie Re-Elected Chairman Of Board

Lloyd E. Murrie

Lloyd E. Murrie, Antioch Township Supervisor, was unanimously re-elected chairman of the Lake County Board of Supervisors Tuesday. Murrie has just completed his first year as chairman.

Murrie's name was placed in nomination by E. Kenny Harlan of Shields Township. Thirty-six members of the board were present, all voting for Murrie. The 37th supervisor is in Europe.

Supervisors are seated according to seniority, moving up from the last row to the first row as new members are elected. In his twelve years as supervisor, Murrie has moved up from the last seat to the first row, and is now ninth in seniority.

As Murrie started his second term as chairman of the board, he told the supervisors that they face many problems in the year ahead, as they move to the new administration building. "The Board must reach some decision as to whether or not to proceed with the second and third phases of the construction, the courthouse and the jail," Murrie said. "Also, we face a serious shortage of of beds at the county home. We must decide whether to build a new County Home or consider fully utilizing the County Hospital and Tuberculosis Sanitarium."

"The Public Works Department is moving slowly," Murrie said, "but is showing some progress in acquiring small water and sewage departments. However, eventually we must face the problem of sewage disposal in the western part of the county."

"While we face all these problems we must keep uppermost in our minds the problem of staying within our budget."

The county board will meet again Friday, at which time committees will be appointed. Tuesday Robert Depke of Warren Township was appointed chairman of the Committee on Committees and Joseph Welch, Cuba Township, Committee on Rules.

Murrie said the question on whether or not to proceed with the building of the new courthouse and jail would probably be considered at the June meeting. "I don't think anyone questions the need for these facilities, particularly the jail," he said. "But it's a question of finances. The majority will probably favor the construction."

"In the matter of public works, how much we can do will depend a good deal on how much we can get in Federal grants.," Murrie said.

The Woodwind Quintet will be featured at Saturday night's concert at Antioch High School. Left to right, D. Prather, D. Chandler, M. McConahay, P. Stewart and G. Bocox.

Spring Concert Saturday At ACHS

One of the highlights of the Spring Band Concert to be presented Saturday night at Antioch High School will be the appearance of Richard Brittain as Guest Conductor.

Mr. Brittain is the director of bands at Vondercook College of Music and is widely known as one of the outstanding music educators in the nation today.

The Spring Concert is an annual presentation of the Fine Arts Department of Antioch High School. The concert begins at 8 p.m. in the high school auditorium. The Antioch High School Band has recently won honors in several band contests.

Under the direction of Joseph Rush, the concert band will present a number of outstanding features on the program. Featured on the program will be baritone soloists Marge Boulanger and Bill Shastel; also a Brass Sextet made up of M. Mazer, G. Ericksen, J. Roberson, L. Barthel, M. Boulanger and S. Strang. Another feature will be a Woodwind Quintet made up of D. Prather, D. Chandler, P. Stewart, M. McConahay and G. Bocox.

Ticket are now on sale by members of the concert band.

Hail, Snow, Wind- This Is Spring?

Antioch was hit by high winds, hail and torrential rains last Friday, but was spared the devastation of the tornadoes that hit several communities in Lake, Cook, McHenry and Boone counties.

Fifty-three were reported dead after the tornadoes that hit Belvidere and Oak Lawn Friday. Lake Zurich was hit by a tornado and about fifty homes demolished, but no deaths were reported.

The bad weather persisted with snow falling Sunday afternoon and evening. Four inches of snow were reported in Waukegan and two inches in Antioch.

Variety Show Set For April 29

The senior class of Central High School at Salem will present its annual Variety Show on April 29 at 8 p.m. Senior class adviser Allen Erickson has promised an evening of entertainment composed of the student body who have offered their services to promote the variety show. Co-chairmen, Mary Wagner and David Davis have 25 acts to provide fun for the audience.

Among the numbers to be presented will be: Piano solos, Singing groups, trumpet solos, sax solos, vocal numbers, Senior girls dance group, Comedy skit, senior boys dance headed by Dale Faber. Tickets will be obtainable at the door or from any senior.

Endearing Comedy By Avon Players

"Dear Me, the Sky Is Falling" is the title of the play that the Avon players will be presenting at the Avon Auditorium in Grayslake Friday, Saturday and Sunday, April 28, 29 and 30

TOPPERS PLAN HIKE

The "Canvas Toppers" Camping Club of Lake County will take a nature hike on April 30th, at 1:00 p.m. The hike will take place at the Captain Daniel Wright Woods.

The Club is a chapter of the National Campers and Hikers association.

The Lake Region Jaycees recently installed new officers for the coming year. Left to right, John Eder, treasurer; Al Benning, secretary; Gary Richter, vice president, and Harold Wilson, president.

Antioch Gets Siren For Tornado Alert

Antioch residents may be spared from loss of life in a disaster such as hit Belvidere and Oak Lawn last Friday by the new emergency warning siren installed this week atop the water tower in Antioch.

The new siren represents many months of work by Ed Frazier, Civil Defense Director. He has worked hard both at gathering information as to the best siren for the town, specifications and price and in convincing the village board of the need for the siren.

The siren was installed Tuesday under the supervision of Supt. of Public Works Edgar Simonsen and the village engineer. In a test the same day, it was thought that the siren could not be heard clearly enough in some parts of town and that it might be necessary to lower it.

The siren can be operated either manually or by controls at the police station and at the Antioch Answering service. Tornado warnings can be relayed direct from the sheriff's office.

The first official test of the disaster warning siren will be held Friday, April 28 at 10 a.m. If the siren is heard at any time other than a scheduled alert it will mean take cover immediately.

Several buildings have been designated as official shelters in case a tornado is imminent. They are Teresi's Chevrolet Garage, Antioch Fire Dept., Moose lodge, Rosing Garage, First National Bank, Ill. Bell Telephone Co., Antioch High School, Antioch Savings & Loan, State Bank of Antioch, Antioch Lumber Co. and Antioch Clinic.

Persons at home are advised to go to the southwest corner of their basement in event of a tornado warning.

The new tornado warning siren will be manned 24 hours a day.

Daylight Saving Time Starts Sunday

This is the weekend for the twice-yearly ritual of resetting clocks to conform with Daylight Saving Time.

Set your clock ahead an hour before you retire Saturday night. Daylight saving time goes into effect at 2 a.m. Sunday morning, April 30.

You'll get back the hour of sleep you lose this weekend next October.

Choose Outstanding Boy & Girl At ACHS

Glenna Burns has been selected as Outstanding Girl of the Senior class at Antioch High School, and Jerry Whitson as Outstanding Boy.

Glenna is the daughter of Mr. and Mrs. Robert Burns of 401 Winsor Ave., Antioch. She is 17 years old and plans to attend Southern Illinois University next year, where she will major in Occupational Therapy.

Glenna stood No. 11 in her class, scholastically. Her extra - curricular activities during her high school years include cheerleading, 1, 2, 3, and 4; G.A.A., 1, 2, 3, and 4; secretary of GAA last year and president this year; Pep Club, 1, 2, 3 and 4; Latin Club 1 and 2; secretary of the sophomore class; choir this year; National Honor Society, 3 and 4, and she received the DAR Citizenship this year.

Glenna's hobbies include swimming, sewing, knitting and spectator sports. She plans to work as a lifeguard this summer at the Antioch pool.

Jerry Whitson, who transferred from Decatur High School at the start of his senior year, lives with his sister and brother-in-law, Mr. and Mrs. James Hayes at 67 Timberlane, Lindenhurst. He's 17 years old and has received a scholarship to Swarthmore College in Philadelphia, Pa., where he plans to major in Math.

Jerry ranked third in his class scholastically. He played football 1, 2, 3 and 4, and was captain of the team in his senior year. He also played basketball 1, 2, 3, and 4 and was captain this year. Jerry was a star as playmaker on the 1967 Championship basketball team.

He played golf 1, 2, 3 and 4, has two letters in football, one in basketball and four in golf.

He was vice president of the sophomore class at Decatur; vice president of the Letter Club and a member of the Student Council.

Jerry is a member of the National Honor Society this year; he was chosen All-City in football at Decatur in 1966; All Northwest Conference and All County in basketball this year.

His hobbies are athletics and reading. He will probably work at Cedar Lake Park this summer, where he worked last summer.

Approve Antioch High Driver Ed. Dept.

Leslie Sorensen was appointed to represent Antioch High School at the Lake County Junior College Association by the Board of Education at their meeting last Wednesday night.

The board accepted the resignation of William Neuman, who has been on the high school staff for seven years in the Business Education department and as varsity wrestling coach. Mr. Neuman is reportedly leaving teaching to enter the business field.

The board authorized Anita Patterson to attend any recognized public Junior College in Illinois. Under present law, when no local Junior College is available in the district, the school district must pay tuition for any graduate who wishes to attend such a college.

The board heard a letter civering a recent visit from a representative from the Supervisor of Safety & Driver Education of the State Department of Public Instruction. The representative found Antioch's course generally adequate and made some recommendations for improvement. A portion of the letter read, "The present course of instruction is adequately meeting the standard for State reimbursement. We feel that the course is well organized with a high percentage of students completing the classroom and laboratory phases."

The letter recommended the addition of more reference material in traffic safety to the classroom library.

The board voted to add Personal Liability Coverage to the comprehensive insurance program, at an additional premium of $50 per year.

Permission was given to the Babe Ruth league to use the baseball athletic facilities at the High School.

There will be no school Monday, May 29, making a four-day Memorial Day weekend. Emergency days are provided for in the school calendar, and one will be use to provide the day off.

Install New Members Of Lions Club

Seven new members were installed at Monday night's meeting of the Antioch Lions Club. The new members are James Hallwas, Ray Scarpelli, Ron Anderson, Robert Yonke, Al Reckers, Harold Gaston and A. Wegner. Lion Loren Sexauer performed the installation.

A movie, "The Twisted Cross," depicting the rise and fall of Hitler's regime was shown. James Olson reminded all members that a pool paiffling party will be held May 7.

ACHS To Take Part In Art Fair

Antioch High School will participate in the Northwest Conference Art Fair at the Belvidere Mall in Waukegan from 7 to 9 p.m. Friday, April 28.

The Art Fair will run Friday, Saturday and Sunday. The Antioch High School Band and Choir will perform Friday night, and Mrs. Jane Craner, art teacher at the high school, will demonstrate the use of an art material she has been using in her classes.

Form Antioch Baseball Team

Antioch will have a baseball team, if present plans go through.

Arthur Blecke, a member of the faculty of Antioch High School, presented a program outlining plans for a team at the meeting of the American Legion last Thursday night. The Legion agreed to back formation of a team to the extent of $300, if merchants and businesses in town would sponsor individual players.

Cost of sponsoring per player, including uniform and equipment, will be $35, Blecke said. Several businesses have already agreed to sponsor players.

The team will be made up of older boys who are past the age for Babe Ruth play. They will compete with teams representing several towns in the area.

Mr. Blecke, Robert Yonke, William Seemann and Terrence Faro, all members of the high school faculty and all sharing an active interest in baseball, are active in forming the team. Businessmen will be contacted in regard to sponsoring players by either a high school coach or a member of the American Legion. Anyone interested may call the high school.

Antioch Needs Weather Man

The U. S. Dept. of Commerce is looking for an official weather observer for Antioch. The job carries no pay but "many pleasant contacts," according to Roy Kufalk.

Roy has given up his position as official weather observer because he will be living in Florida during the winter months from now on. He and his wife have purchased a mobile home and will spend the winters at Lakeland.

Roy received a letter from W. L. Denmark of the Dept. of Commerce thanking him for his 25 years of service.

He will turn his records of the weather over to Denmark or to Antioch's next weather observer. Anyone who would be interested in taking up where Roy left off can call Roy for information, or write to W. L. Denmark, Station A, Box 2810, Champaign, Ill. 61820.

Roy will keep on recording and reporting Antioch's weather until Nov. 1, if necessary.

TV Auction This Week

Four members of the Antioch Woman's Club will be working at Station WTTW, Channel 11, this Thursday, helping out during the TV auction being held this week.

The four Antioch women are Mrs. William Brook, Mrs. Edmund Vos, Mrs. Clarence Olson and Mrs. Joseph Horton. They will help out from 3 p.m. to midnight.

The unique TV auction started Tuesday and will run through Saturday, April 29. All sorts of items and services will be auctioned off, with many prominent personalities acting as auctioneers. Bidding will be by telephone.

The Antioch Woman's Club has been active in support of the educational TV station, conducting tag days each year for WTTW. Members of the club secured several donations from local businesses to be auctioned off at the TV auction this week.

Viet Nam Project Help, Say Soldiers

Project Viet Nam takes up most of the spare time of the personnel at the Antioch post office these days. And each week more people from the area join in the project, either with contributions or offers of help.

Some of the mothers of boys in Viet Nam have offered their assistance to the boys at the post office, in helping to get packages ready for shipment. With about forty names on the list, it's no small task just to assemble and pack the gifts for the boys.

The packages are sent periodically to all personnel from the Antioch area serving in Viet Nam. In addition larger packages are sent to two evacuation hospitals. These are hospitals to which the wounded are taken, direct from the field. The hospitals were added to the list as the result of a suggestion from Lt. Col. Dora Coover, an Antioch nurse who has returned from Viet Nam.

The packages contain a variety of useful objects. Kool Aid is one of the main items, to make the drinking water more palatable. Dehydrated soup has joined the list, and proved a big favorite. Writing paper, pens, lighters, flints, playing cards, paperback books, and numerous other items are included.

Three letters came from servicemen this week, thanking the men at the post office for the cheer and support their packages bring. Pfc. Arthur Letkey tells of his pride in his town for their thoughtfulness and support:

To the men and women of the Post Office:

I don't really know how to put this, but I want you to know how much I appreciate the package that I received from you, and I am sure everyone else from Antioch

(continued on page 5)

Every package in this stack represents a little cheer and some much-needed items for Antioch area boys serving in Viet Nam. Joe Wolf and Harry Brehen survey the result of an evening's work in getting the packages ready to ship overseas.

A Move To Monopoly

Some bills keep popping up in the Illinois legislature, session after session, with a persistence that shows the grim determination of the proponents of the action to finally achieve their aim.

One of these recurring attempts is the effort to legalize branch banking in Illinois. So far, the effort has been defeated by the opposition of the Illinois Banking Bankers Association and the many comparatively small banks who back the Association's stand.

Branch banking is being promoted by the already huge Chicago banks, who would like to grow even larger by establishing branches throughout the state. The evils of monopolistic banking are obvious enough. With a chain of banks throughout the state, and the resulting huge revenue and power, one bank could determine which areas would grow, which companies would receive credit for expansion. Backed by the enormous power of a huge system, they would smother many of the small independent banks, and soon control the destiny of whole areas. Their political power would grow with their expansion.

The independent banker has traditionally been the center and the moving spirit behind the growth and expansion of each community. He has supported and financed the growth of business and industry in his town. The local banker is usually a leader in the civic affairs of his community, working and helping to finance the improvement of his town.

What would branch banking give a town to replace the close association of the local bank with the life of the community? More interest on deposits, easier credit? No, only more red tape, a further move to the establishment of more big business, with no interest in the future of the communities into which they aspire to move.

Courthouse Notebook

BY LOU DURKIN

There is probably a simple, reasonable explanation, but we could never understand why Interstate Routes between Chicago and Milwaukee are designated East and West instead of North and South.

It is true the route starts well east of Chicago, but in the 100 miles plus the route runs through Illinois and Wisconsin it would seem logical to identify the highway as a north-south route rather than east-west.

Look for legislation in the near future to establish a handsome salary for the Chairman of the Illinois Racing Commission so the new chairman selected to succeed William Miller will not have to continue as head of the Race Track Police Bureau.

As head of the police bureau Richard Crosby was an employe of the racing interests and it would hardly be proper for him to collect a salary from the people he is supposed to be regulating.

Besides it would be more economical for the tracks to have the State of Illinois assume his salary especially since he would still be beholden to them.

State Representative W. J. Murphy recently introduced a bill which would require newspapers—and—other—periodicals to grant "equal space" to political officeholders who felt they had been maligned, misquoted or libelled by the press.

Certainly many newspapers, buttressed by court decisions which virtually strip a politician of any protection, have been less than scrupulous in their treatment of some public officials.

The Federal Communications Commission through its "equal time" provisions, gives the accused a chance to reply to charges, but the press so far has been free to call a politician anything they desire without fear of reprisal.

It would seem that the responsible members of the press would be willing to accept such a restriction on their freedom to malign and libel.

Rep. Murphy's position might have been stronger if he hadn't aimed his legislative missile at the "liberal" Chicago press which has attacked him vigorously in the past.

Any day now we expect some enterprising courthouse employe to come up with a new betting pool to go along with the football, baseball, and Kentucky Derby pools that are as common as the coffee break.

The new get-rich-quick scheme will be based on the completion date for the county administrative building.

I hope my ticket reads late November because anything earlier would be as useless as those tickets I draw on the Saturday night races.

Waukegan Mayor Robert Sabonjian fared well in the recent aldermanic elections since all the candidates he supported openly were victorious.

He should be able to control the board even more completely than he has in the past.

This victory for "The Rock" has cast a pall of gloom over Waukegan Republicans who would like to see a change in the city administration and had looked forward with some glimmer of hope for 1969.

Some Lake County Republicans who see little chance for a major state candidate emerging from Lake County are hoping John Henry Altorfer, Peoria businessman and a popular figure in the state, can be induced to launch his gubernatorial campaign from this area.

Letters to the Editor

To the Editor:

Both the Grayslake Woman's Club (member of the Illinois Federation of Woman's Clubs) and the Lake County Republican Women's Legislative Study Group have passed Resolutions authorizing their respective corresponding secretaries to send letters protesting passage of House Concurrent Resolution 130, to each of the Illinois Legislators serving in the 90th Congress of the United States.

House Concurrent Resolution 130, introduced Feb. 8, 1967, states: A) "That as an immediate objective,

1. the United States government encourage and support the earmarking and specialized training of units by the U. N. Member states for employment in U.N. peacekeeping operations."

As a **member state** of the United Nations, this Resolution would make it possible to **draft** our young men—not for the defense of the United States—but for any "peacekeeping operation", which the United Nations might designate.

The Resolution 130 further states that

2. "transportation, communications and logistical personnel and facilities should be made available," and that we should

3. "support the financing and training of these units" and B) that we, as a member state of the U.N. "support a permanent, individually recruited force, under the U. N. command, for impartial peacekeeping purposes."

50 Congressmen have signed this Resolution 130. The American mothers and fathers had better make their opposition known to as many in the Congress of the United States as possible before House Concurrent Resolution 130 is passed and our drafted boys are outfitted in uniforms other than those of the United States of America!

Mr. Editor:

Communism and the Viet Nam War

The Washington war lords policy has been to portray Communist China as responsible for prolonging the infamous Viet Nam war. They picture Soviet Russia as anxious for peace and they are trying to buy Russian friendship for American concessions in many fields. The Consular Treaty, (recently ratified by the U. S. Senate), American credit, and expansion of trade, are a few of the administration's promotions with the Reds.

While Communist China is supplying a reported 25%, Russia and her satellites are providing 75% of the sinews of war to the North Vietnamese. Needless to say, the Soviets have kept the North Vietnamese war machine rolling.

In a recent dispatch from Saigon, a top ranking U. S. officer said: "There no longer is any question about it—the Russians are at war with us in Viet Nam in a very real sense. They are more important than most people realize in the operation of the war. Most of the trucks that move the needed supplies from North to South Viet Nam, for example, come from Russia or her satellites. Many of the automatic weapons that we capture from North Viet Namese troops are of Russian manufacture. Most of our plane losses have resulted from the use of Russia's antiaircraft guns, missiles or Mig jet fighters."

Our boys fighting in Viet Nam are indoctrinated on the evils of communism and its goal for world conquest. It is an undeniable fact that Red Russia is a segment of this International Communist Conspiracy. They're as much after our scalp as are the Asian Communists. — Would the President have the American people at home and our boys on the front, believe that Russian Communism is different, in that it only supplies the North Viet Namese with the weapons of death?

LBJ duped the American people before the 1964 presidential election when he flagrantly violated his pledge for peace. Will he succeed again to delude us by promoting deals with Communist Russia, whose weapons are maiming and killing our boys in Viet Nam?

While Senator Dirksen, vociferously supported and defended LBJ's Viet Nam war, he voted to ratify the Consular Treaty with the Soviet Communists. How can we Americans go along with such deceptive philosophy: fighting the communists on one front, while promoting deals with them on another? Doesn't this stir you to action? Let your voice and protest be heard in Washington.

As It Happens —

By Rep. W. J. Murphy

From the Cradle To the Grave

Since the New Deal Days of Roosevelt, there have been many great Social Planners that have submitted programs to care for us from the Cradle to the Grave; and this has become a saying "you will be cared for from the Cradle to the Grave."

Now since Governor Kerner's Budget Message of last week, we have a new meaning for these words. We have been paying sales tax on baby cribs and baby buggies. Now with the new way of raising Revenue as recommended by the Governor, we will truly be taxed from the "Cradle to the Grave". His broadened base for service tax even includes funerals. In addition in includes .04 on every dollar you pay an attorney for legal fees—it will include your hair cuts from your barber—in fact the only thing its omits at the moment is Hospital bills. The pious appeal of this is that the governor has temporarily solved the Revenue problem without putting an added tax on the poor tax payer. What a planner—what a hero! Who does he or anyone think is going to pay this tax on all these services—Yes, the poor taxpayer!

Over One Billion Increase

There is no question—we are hurtling—full speed—to destruction as a free people and a sovereign state. Remember just 12 years ago we were operating the entire state for a two year period on less than **One Billion** dollars. Now in one two-year period we have increased our budget by over one billion dollars, and this under what were were told is the Spartan Economy of the Democrat administration. What a joke!

Planned Destruction?

Not satisfied to worry us to death with taxes—the Planneers and Reformers in the Administration and the Legislature want to be sure they have rendered us all completely inept with laws such as:

1. Stop and Frisk—The Bill actually says the citizen can be stopped and **searched** at any time in any place—Road Blocks, Restaurants, Churches, etc.

2. Bills to take away our guns—or at least to register them so that all "cat burglars", "hold-up men" and other hold up men, known as Government Officials will know exactly who has guns and how many.

3. Implied Consent Bills where by force the Supreme Court says they can take your blood and use the evidence against you. Or any policeman can charge you and if you refuse a drunkometer test, you lose your driver's license.

4. Re-examination every four years in order to keep your driver's license. This will only cost the tax payers an additional 40 to 50 million dollars for each biennium.

5. Medical review Board laws—where if you go to a doctor and he finds evidence of a slight heart condition, high blood pressure, diabetes, he may report this to a Central Board of Doctors and they can arbitrarily take your driver's license.

. . . and on and on and on.

Now if this is not bad enough, the Senate has now passed a bill and sent it to the House that will slowly **but surely** finish the job. This Bill makes it mandatory that all drinking water be fluoridated. This in spite of the fact that two University studies show that this chemical collects in the fatty tissues of your body and does not go away but accumulates and actually deteriorates the organs of your bodies including the heart and lungs.

The Dentists are pushing this law to cut decay in our teeth. What good are teeth if you are dead? It appears to me that people have either gone crazy or else there is a deliberate plan to destroy us! With this trend, and if all these things become law, I will be forced to say "Stop dear world, I want off"!

SPRING CLEAN-UP

Residents of Illinois are being urged to participate in a spring clean-up and tree planting program during the last week in April.

A proclamation designating the last Friday in April as Arbor and Bird Day has been issued by Gov. Otto Kerner.

The Illinois chapters of the National Campers and Hikers Association have designated Sunday, April 23, as "Litter Survey" along highways.

Members of 285 chapters of the Illinois Junior Chamber of Commerce are planning to take the lead in encouraging residents of their communities to participate in the programs.

Visitation Day At Antioch High

Friday, April 28, will be Visitation Day at Antioch High School. This is the day when all 8th graders from schools that feed into the high school spend an afternoon at the school to become familiar with high school life.

Activities will start at noon, when the students will be brought to the school by bus. They will be welcomed by Student Council President Marty McConahay.

From 1 p.m. to 2 p.m., a program will be presented in the boys' gym. There will be entertainment and description of high school activities by members of the Student Council.

At 2:30 p.m. the students will return by bus to their respective schools.

Honeymoon In California

Sandra L. Hertel and John E. LaMonte, Jr., both of Lake Villa, were married at Prince of Peace Catholic Church at 2 p.m. April 15. The Rev. David Lynch performed the ceremony.

The bride is the daughter of Mr and Mrs. Charles William Hertel of 2404 S. E. Thornwood Drive. The groom is the son of Mr. and Mrs. J. E. LaMonte, Sr., of Rt. 3, Box 606, Lake Villa.

The bride was given in marriage by her father.

The bride wore a floor-length gown of Chantilly lace over bridal taffeta. The bodice was fashioned with a scalloped neckline and long lace sleeves. The bouffant skirt was tiered ruffles, with a detached chapel train. A headpiece of aurora borealis crystals held the imported illusion fingertip veil. She carried white orchids in a snowdrift pattern.

Darlene Kazmierski was maid of honor. Beverly Bixbee, Lois Suor and Carol Ann LaMont, the bridegroom's sister, were bridesmaids. Judith Ann LaMont, also a sister of the bridegroom, was flower girl

The bride's attendants wore floor-length gowns of orchid sheer and lace over taffeta. The bodice was fashioned with an oval neckline and bishop sleeves. The semi-controlled skirts had back fullness. Headpieces of matching color held their butterfly veils. They carried yellow orchids.

Gene Rubel of Argo was best man. Ushers were Patrick LaMont, the bridegroom's brother; Robert Carter and Charles Hertel, brother of the bride. Timothy Lee LaMont, the bridegroom's brother, was ring bearer.

A reception was held at the Lindenhurst Civic Center. The bride and groom are on a honeymoon trip to California and will be at home in Libertyville after May 8.

Both the bride and groom are graduates of Grayslake High School.

Rainbow News

The Rainbow Girls of Antioch Assembly No. 23 entertained the O.E.S. and Masons Saturday, April 22. The girls performed beautiful ritualistic work and gave their most charming performance in the Assembly.

After the meeting closed, the girls gave a skit for the guests, showing themselves as typical teenagers at practice—a complete turnabout in their physical and personal selves. All were delighted with their performance.

Monday, April 24th, after the regular meeting a birthday cake was presented to Mrs. Amy Wells, Mother Advisor, and a lovely gift.

The girls are planning a "Rainbow Tea" on Sunday, May 7th which will include all Mothers and interested persons in the Rainbow for Girls.

April 29th Jean Flanagan, Cynthia Bells and Vicky Lynn Muffett will be initiated at the Scottish Rites Cathedral, 915 Dearborn St., Chicago. The exemplification will be given by the Grand Officers of the International Order of Rainbow in Illinois.

All Rainbow Girls, O.E.S. and Masons are cordially invited.

Any interested person may call Mrs. Wells, 395-2000.

Next regular meeting will be May 8th, which will be election of officers.

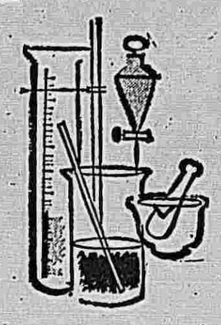

LOCAL GIRL IN CONCERT BAND

Barb Casella, a graduate of Antioch High now attending Eastern Ill. University, will be one of the musicians taking part in the spring concert at the college.

Participating in the joint concert will be the Concert Band and the Symphonic Winds. Miss Casella is in the Concert Band.

The concert will be held Sunday, April 30, at 4 p.m.

Symbol of Better Health

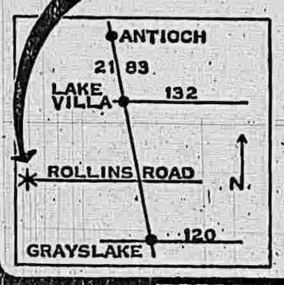

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx" . . . one claims that it is an abbreviation of the Latin word "recipe." Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

American Legion Auxiliary News

By Del Jahonke

At the recent meeting of the Antioch American Legion Auxiliary, Mrs. Lester Zitkus, Unit Americanism chairman, presented cash awards to 1st and 2nd place winners in the state Americanism Essay Contest. Janet Polsgrove, Antioch Grade School, won first prize prize, and Kathleen Chase, St. Peter's School, took second prize.

Mrs. Joseph Horton, Unit Illini Girl's State chairman, announced that this year's Girl's Stater, chosen by the Antioch Community High School faculty, is Mary Ellen Osmond, daughter of the Bernard Osmonds of Antioch; and her alternate is Joyce Herman, daughter of the James Hermans, Antioch.

Mrs. Horton, Mary Ellen Osmond, and Mrs. Bernard Osmond will be attending the annual 10th District Illini Girl's State Tea, to be held on Sunday, May 7, at the Homer Dahringer American Legion Home in Waukegan, at 3:00 P.M. Mrs. Harvey Johnston, Waukegan, is the 10th District Girl's State Chairman, in charge of this affair.

Mrs. Herbert Gleason, Libertyville, 10th District Director; Mrs. William Schultz, North Chicago, District Al-Richard Brady, Gurnee, District Historian, were the honored guests. Mrs. Gleason gave a short talk, congratulating the Antioch Unit on their excellent participation in nearly all the phases of the American Legion Auxiliary programs.

Miss Veronica Suwe, the featured speaker, is a registered nurse from the Community Nursing Service of the Lake County Health Department. Miss Suwe showed a colored film depicting the various kinds of nursing and medical services available to the residents here. In a "question-and answer" session after the film, Miss Suwe also told of the medical attention the Lake County school children receive. She has charge of the Antioch area in nursing services.

Donations were made to the American Red Cross; and to Harbord Cottage, the Cottage and children that the 10th District American Legion and its Auxiliary sponsor, at the Illinois Sailor and at Normal Illinois.

Under the National Security program, the Antioch Unit voted to send a year's requested subscription to the Antioch News, to Buddy Wells in the U. S. Navy, serving in the Mediterranean Sea territory.

In the absence of the president, Mrs. Ray Rathmann, the first vice president, Mrs. Bernard Stadick, served as the presiding officer. Mrs. Zitkus and her committee served the refreshments.

Janet Polsgrove (left) and Kathleen Chase receive awards from Mrs. Lester Zitkus, Americanism Chairman of the Legion Auxiliary.

P M & L News

The Remarkable Mr. Pennypacker closed the PM&L regular fall - winter - spring season with laughter and chuckles. "A great comedy" was the favorite audience comment, and for the oldest to the youngest in the cast it was a "fun show."

The "show must go on" was the pass-word for Friday night's performance, Director Josef Hunley was called to the Lake Zurich tornado disasater area in his capacity of area director of the Red Cross, and stage manager Aileen Biel was called away because of a death in the family. The cast and crew united together to give a great performance to a much larger audience than was anticipated because of the storm.

Saturday night Aileen was back, director Joe was there, but the youngest trouper, little Bobby Hunley who played Ben Pennypacker, was sick and unable to go on stage. The young Pennypackers took over his lines and cues, and except for the absence of the "cutest" member of the cast, it went smoothly without a hitch and played to an almost full house. "Hats off" to director Joe Hunley, to cast and crew, and especially to the marvelously warm and responsive audiences who attended.

Now watch for cast announcements of the summer musicals. **Oliver!** will be given July 7, 8, 9, 14, 15 and 16 and will be directed by Ken Smouse. **Take Me Along** directed by Steve Krotz, will follow on July 29, 30, 31 and August 4, 5, and 6.

St. Mark Lutheran Church

New members will be received on April 30, at the 10:30 worship services. Some folks are concluding a membership orientation course, while others are receiving letters of transfer from another Lutheran congregation. If you are of the Lutheran faith and wish to become a member of St. Mark's see Pastor Harold Nelson about a letter of transfer before April 30.

The Mother-Daughter Banquet date is May 2. An outstanding dramatist Sylvia Carston, will present "Missionary Mama", and will have on display dolls, etc., from the land of India featured in the drama about a Missionary's wife from that country.

Children beginning third grade this fall are invited to enroll in the Junior Choir.

Two beautiful blue spruce trees have been given to St. Mark by Mrs. Louis Charlson in memory of her husband. These trees were grown by her husband on their acreage on Grub Hill Road. Edward Bybee replanted them, one in front of the church and one at the parsonage, during the past week.

Cadette Fair

Cadette Scouts in Lake View Council participated in a fair at Neal Junior High School, Argonne and Lewis Ave., North Chicago, Saturday, April 22 from 10 p.m. to 6 p.m. The girls exhibited all the crafts that they have made and some showed their school science projects. Mrs. Mitzie Moreland is the leader of Lindenhurst's Cadette Troop 173.

Recuperating

Bob Hendrickson is recuperating at home after spending nine days in the hospital following surgery.

Women's Club

Thirty-seven ladies attended the Lindenhurst Women's Club dinner meeting at the Stage Stop in Wilmot last Thursday evening. Mrs. Pearl Kockler, who moved to Libertyville last fall, was among the guests.

A letter was read from the Lake Villa Rescue Squad asking for a donation. Linens, appliances and furniture are needed. The membership voted to donate $25.00 so that they could purchase what they need. Workers are needed to finish the building inside.

Pat Parpan reported that a woman's volley ball team has been formed and the ladies play at the Hooper School on Wednesday evening from 6 to 8. If you are interested in playing, stop in.

Members are going to visit Great Lakes Naval Hospital on Friday, April 28. Model car kits will be among the prizes distributed. Mrs. Jenny Volpentesta is chairlady. Stamped envelopes are always appreciated by the vets,

Ancient Egg Is Family Treasure

Mr. and Mrs. Emil E. Gunty of 11 Pinewood Lane have a family treasure which highlighted an Easter display each year.

The prized possession is a 43-year-old egg shell. The double-yolked egg came from a goose which belonged to Mrs. Gunty's uncle, Ferdinand Hartwig. The egg was laid on April 4, 1924, and weighed three-quarters of a pound.

The contents were blown out and the shell painted purple and engraved by Mr. Gunty. The shell is still intact but faded.

Quail Survive Winter

Field investigations show that a high number of quail survived the winter, the Illinois Department of Conservation has announced. The winter carry-over of squirrels was higher this spring than in 1966 except in the east-central part of the state.

CHRISTIAN SCIENCE CHURCHES

The parable of the Prodigal Son will be the responsive reading in a Bible Lesson on "Everlasting Punishment," to be read in all Christian Science churches this Sunday.

References from the denominational textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following:

"The design of Love is to reform the sinner."

that you have sent packages to feels the very same way. I feel proud when other guys from different parts of the states say, that they have never received anything like this. I guess that is about all I can say. Just thank you very much for your thoughts.

Yours truly,
Pfc. Arthur P. Letkey

Another Antioch boy, Danny Yates, sent his thanks:

Sir:

Please extend my sincerest appreciation to the founders and supporters of Project Viet Nam.

Their generosity and thoughtfulness not only make a soldier feel a little closer to home, but also demonstrate that the Antioch people are fully aware of the significance of our presence here.

If any of you have any questions about Viet Nam or its people, I will be more than happy to answer all I can.

Again, let me say Thank you. I have really enjoyed the Kool Aid and other items you've sent.

Respectfully,
Danny Yates

David Miller also took time to write to the men at the post office and thank them for their thoughtfulness. Here is his letter:

To all the people at the Post Office and all the people in Antioch:

I received two packages and a letter from the Post Office. I'll tell you it is really wonderful to know the people at home are thinking of us over here. And we are thinking of you people all the time, too.

My M.P. work here in Viet Name is nothing like it was in the States. Over here you have to be on the alert all the time and you can't make a mistake, because that's just what Charlie is waiting for. The weather over here is very, very hot all the time.

Well, friends, I have to go to work now.

PLEASE tell everyone in Antioch that we're all doing our best and that the people at home help us by building our morale. And I'd like to thank everyone so much for the letter and packages.

May God Bless You All.
David D. Miller

The post office personnel hope to keep sending the packages overseas as long as any Antioch area boys are in Viet Nam. Here is a list of the townspeople who have recently contributed to the Viet Nam project: Weasel's Lounge, John Blackman, Frank ReCupido, Olson Implement Co., Inc., Eugene and Agnes Simonsen and St. Cyr Products.

Cold Cancels Out Races

A blast of Arctic air forced promoter Gordon Sill to cancel the scheduled Saturday night auto races at the Waukegan Speedway and also to cancel the use of a Sunday night raindate. Sill expects to be in operation at Waukegan next weekend with late model races on Saturday night and modified stock cars running on Sunday evening.

Sunday night modified racing wasn't scheduled to start until May 7; however on the heels of a tremendous opening night, Sill announced that the modifieds would be seen in their own program starting April 30, one week earlied than originally planned. There will be no more Saturday night modified racing this season, rather there will be full programs of late model racing every Saturday.

This change will also bring the new hobby stock division into competition one week earlier. This division will allow street cars, modified for safety, to participate in their own races for small cash prizes. Hobby stock races will first be carded this Saturday night and will accompany every program until the end of the season.

Fans will be happy to know that construction is complete on the new entrance road leading from Washington Street to the track's parking lot. The new road is elevated substantially higher than the old one and should be high and dry all season long.

Racing on both nights next weekend will start at 8 pm., with time trials at 7 p.m. Waukegan Speedway's 24-hour automatic answering service may be dialed at 662-8200 to find out the latest word when weather is threatening.

TROUT STOCKING

Brown trout and rainbows have been stocked in four Illinois streams, the Illinois Department of Conservation has announced.

The streams are Apple River in Apple River State Park, Jo Daviess County; Pine Creek, White Pines State Park, Ogle County; Rock Creek, Kankakee River State Park, Kankakee County, and Kent Creek, Rogers Park, near Rockford.

The Coleta Area, west of Dixon in Whiteside County, has been stocked with trout and opened for fishermen last Saturday (April 22), Belleau Woods in the Cook County Firest Preserve was stocked April 14.

Limits are eight trout a day and 16 in possession after opening day. On opening day both limits are the same—eight trout. There is no minimum size limit on trout in Illinois.

Speed Center Opens Sat.

Duane Harris, first modified stock car driving champion of the Lake Geneva Speed Center, will make the first defense of his 1966 title when the Speed Center opens itis 1969 season of modified and stock car auto racing on Saturday night, April 29.

Harris, of Lake Villa, became the first champion of the new quarter mile asphalt action track when he finished the 1966 season with a commanding lead of nearly 700 points over his season long Wisconsin rival, Rodger Otto of Burlington.

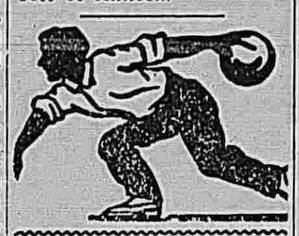

Duane Harris drove the famed tiger-tailed Pursesnatcher modified to the championship, winning four feature races and ftve heats and will use the same car this year. Otto, however, will be in a new machine but will retain his famed Poncho Pontiac power plant in his attempt to unseat Harris as the Speed Center King.

Also expected to give Harris and Otto a serious challenge this year will be Bill Bohn of Bristol, Ron Bergsma of Richmond, and Jr. Dodd of Waukegan. Dodd will be driving the A-4 Team modified entered by Ray Toft of Antioch.

Post Office Discontinues Postal Savings Certificates

United States Postal Savings certificates totaling $279.00 which are on deposit at the Antioch, Illinois Post Office, will cease earning interest for all local depositors on April 27, 1967, Postmaster Wolf said today.

Nationwide, the Post Office Department is holding more than $90 million in the now obsolete program which was discontinued by the Congress on March 28, 1966.

As of April 27, a year ago, Postal Savings were discontinued, and no deposits were accepted by the Post Office Department. Certificates whose anniversary dates have been reached since last April 26 have earned their final interest payment, Postmaster Wolf said.

On June 30, he said, all remaining funds in the program will be turned over to the Treasury Department to be held in a trust fund until liquidated. There they will remain available for payment without time limitation whenever proper claims are received.

Postmaster Wolf urged that all Postal Savings depositors close out their accounts and invest their funds into United States Savings Bonds or the new Freedom Shares, which on May 1, will pay 4.74% interest.

Holders of Postal Savings certificates can arrange to redeem them simply by applying at the post office where the certificates were issued. The postmaster there, he said, will provide guidance and necessary forms to assist in cashing certificates. All transactions can be handled by mail, and certificates issued to persons now deceased can be cashed by legal heirs in accordance with State laws governing such distributions. Again, the postmaster at the issuance post office will render authorized assistance.

8th Graders Form Phys. Ed. Club

The Lake Villa 8th grade students have formed a Physical Education Club which meets from 3 p.m. to 5 p.m. each Friday.

Officers elected were LaDonna Connolly, president; Kathy Leight, vice president; Barney Hay, treasurer, and Michelle Marconi, secretary.

Social Notes

By Del Jahneke

Mr and Mrs. Thomas Jacobsen, Beach Grove, were the pleasantly surprised recipients of a family dinner "surprise birthday" party for Mrs. Jacobsen, at the home of their daughter and husband, Mr. and Mrs. Don Rodgers, Oakwood Knolls. Their other daughter and her family, the James Ruhl family of Zion, were also there. This party took place on Saturday, April 22. On Sunday, the Jacobsen's attended another "surprise" 50th birthday party for Mr. George Jacobsen of Northbrook, Mr. Tom Jacobsen's brother. This party was given by George's daughters, Mrs. Emil Beckman and Mrs. Carl Fontaine, at the Fontaine home in McHenry, with nearly 30 relatives present.

Mrs. Robert H. Dunlap, Jr., Grass Lake, and Mrs. Robert Welch, Round Lake, both sisters-in-law of Mrs. Edward Jahneke, Jr., were hostesses at a baby shower in Mrs. Jahneke's honor, at the home of Mrs. Welch, on Sunday, April 23. Mrs. Jahneke, Jr. received many lovely and useful gifts for the new baby-to-be, from the 35 friends and relatives at the party.

Earl Horton of Antioch is now recuperating at home, after undergoing serious major surgery down at Fort Ritchie, Florida, nearly six weeks ago. His children flew down to see him in Florida, with Mr. Ray Horton driving the Earl Horton's travel trailer back to Atioch. Mr. Earl Horton has just spent a week in Victory Memorial Hospital in Waukegan

Funds Needed For Cancer Research

More than one-third of all funds contributed to the American Cancer Society is invested in research—over $15 million in 1966.

By 1970, the Society hopes to be able to "close some of the critical gaps in cancer research" with "a minimum annual expenditure of $20 million for sound projects."

This estimate, Morris Pickus, Crusade Chairman of Antioch said today, "is based on experience in making research grants over a period of more than 20 years."

Each year the Society is faced with the problem of not having sufficient funds to suppport all research projects that scientific advisory committees approve and recommend.

The Chairman said, "Critical gaps exist in the research attack on cancer at a time when promise is high. There is not only urgent need for the development and exploration of new ideas, but also need for more trained and qualified research scientists. We have been told by scientists who know the problem that researchers in many institutions are slowed and hindered by a chronic shortage of funds'."

More funds are needed, he said, to find the answers to such questions as: why does one individual get cancer and another appears to be resistant? Why do cancer patients lose weight and develop anemia? What is the role of body defense mechanisms against cancer? Is there a fundamental difference in cancers that strike people of different ages? What factors influence the spread of cancer? These and other questions, he said "need answering."

The American Cancer Society is currently supporting more than 1,000 key scientists at home and abroad—at home through grants to individual scientists and research institutions; abroad through Eleanor Roosevelt International Fellowships administered by the International Union Against Cancer.

Heart Attack

Bill Shutts suffered heart attack recently, but is getting along fine. He is in Victory Memorial Hospital.

Accident

Mrs. Glenn (Barbara) Newland, formerly of Nathan Hale Drive in Venetian Village, is a patient at North West Hospital, 800 West Central, Arlington Heights. She got her hand caught in a punch press at work, and had to have all the fingers on her right hand amputated. Mrs. Newland lived here for 6½ years before she moved to 612 North Chestnut, in Arlington Hts.

what is Coffee Mill Flavor?

It's fresh-ground flavor you can't get in a can.
Fresh-ground flavor you do get in A&P's whole-bean
Eight O'Clock, Red Circle and Bokar Coffees.

You see, once the coffee bean is ground, the flavor begins to fade.

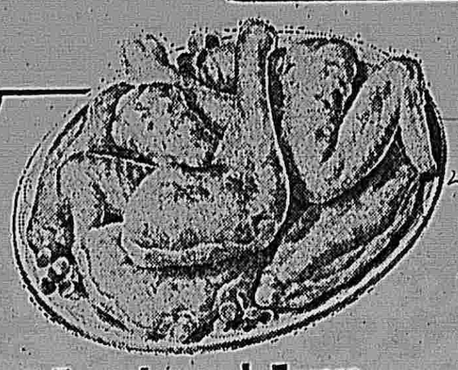

That's why, when we at A&P buy the finest coffees we can find, we bring them to you still in the bean.
And we custom-grind them exactly right for your coffeemaker.

Takes a little extra work, but we're happy to do it.
That way we can be sure you'll enjoy the full, fresh taste of A&P's Coffee Mill Flavor.

Are A&P Coffees a good reason for shopping A&P?
They're one of many.
